WHAT DO YOU KNOW ABOUT US?

is an integrated provider of engineering

and mechanical solutions. Our strength comes from our proven ability to leverage our most valuable assets: our people, our suppliers, our technologies, our capabilities, and our relentless focus on creating value for our customers.

Throughout our history, we have been a source of innovation, creativity, and technological advancement. We are proud to say that Madinaty International plans to continue its legacy of leadership in the markets we serve and in the communities where we live and work.

Madinaty International has successfully transformed into a trusted provider of electro-mechanical solutions in Egypt and Saudi Arabia.

Diverse projects have trusted Madinaty International to deliver sustainable and integrated solutions. From commercial facilities to residential projects and from malls to office buildings and hospitals, we pay full attention to every detail in all our projects

CONTINUE

It is satisfying to know that we are able to help our clients with strategic solutions for their requirement.

Customer Satisfaction is the hallmark by which we measure our performance and we hold ourselves as do our clients, to the highest standards of quality.

In this continually evolving marketplace, our clients are more informed than ever about their solution provider options. Even so, they continue to select Madinaty EL-Alamia as their partner of choice because of our experience, commitment to quality, community and integrity.

I hope this provides you with a few reasons to get to know Madinaty AL-Alamia better.
